ABOUT SPORTS SCHOOL PARTIES

Sport School parties are a great way to celebrate a birthday or another special event. Our parties are a great way of keeping children entertained whilst also providing a break for the parents. Each party plan is specially adapted to the children's age and ability.

Sports School parties are:

- Interactive
- Stimulating and engaging whilst incorporating the Early Years learning goals
- Challenging
- Fun!!!

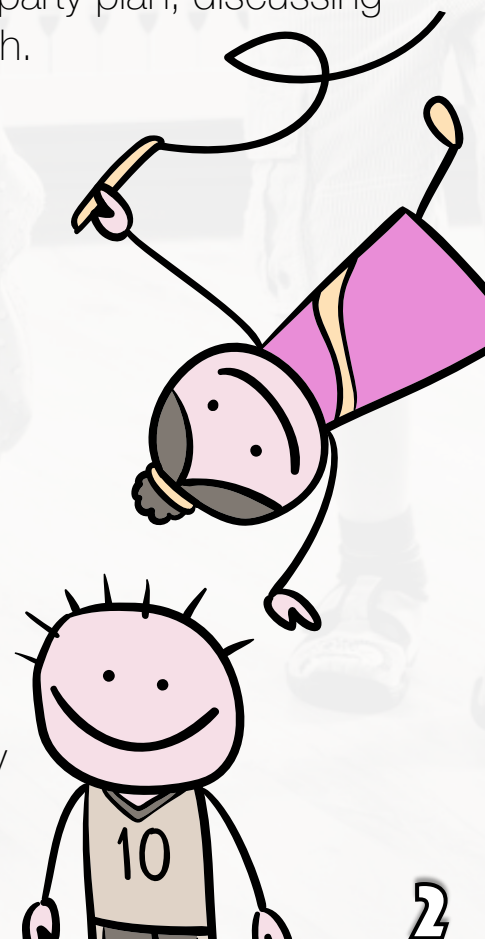

Each party is **uniquely** designed to cater to the needs of the parent, birthday boy or girl and their guests. Prior to the party, the selected coach will contact the parent and child to discuss a unique and individual party plan, discussing favourite sports/ games and time allocated for the coach.

What to expect on the day

Your Sports School coach will arrive 10-15 minutes prior to their start time. This time provides the coach with an opportunity to meet the birthday boy / girl.

No two Sports School parties are ever the same, however a typical party consists of warm games, individual/ group games, fun activities, drinks breaks and lots of challenges!!! We aim to keep the children busy throughout the whole time we are with you.

When its food time we say our goodbyes and discreetly leave you to enjoy the rest of the party.

F A Q S

We hope any questions you may have are answered here, if however you have further questions please do not hesitate to contact us.

SHOULD I BOOK A HALL OR HAVE THE PARTY AT HOME?

This is completely dependent on the number of children you will have attending your session and the amount of space you have at home. On the whole we have found parents who choose to hire a hall rather than host the party at home have an easier time. Our parties require the children to be able to freely run around without objects being in their way. If you are still unsure about the space you have available we will be more than happy to pop over and assess the space available prior to the party.

CAN PARTIES BE HELD OUTDOORS AS WELL AS INDOORS?

Yes parties can be held both indoors and outdoors, however due to british weather we would advise outdoor parties only in the summer.

HOW MANY SPORTS SCHOOL COACHES WILL BE ATTENDING THE PARTY?

If you will be having more than 20 children attend your party then we ask parents to pay for an extra coach which will enable you to invite up to 35 children.

HOW LONG DOES IT TAKE TO SETUP?

For the most part it does not take us very long to setup for a party, however we always arrive 20-30 minutes before our arranged start time. Arriving extra early allows us time to put together any pieces of equipment which requires prior assembly as well as introducing ourselves to the birthday boy/girl and their friends.

HOW MANY ADULT HELPERS DO YOU NEED?

Normally one adult helper should be enough. This helper will be nearby to attend to children who may need drinks, to use the toilet or injured children.

DO I HAVE TO PAY IN ADVANCE?

We ask for a £70 deposit to reserve the date. Unfortunately the deposit is non-refundable.

HOW CAN I PAY FOR THE PARTY?

Payment for parties can be made via cash or BACS payment to the Sports School bank account; Account number: 18635946, Sort code: 60 11 14
